DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The art unit designated for this application has changed. Applicants(s) are hereby informed that future correspondence should be directed to Art Unit 1631.

The reply filed on August 12, 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The sequence election requirement in the Office Action mailed May 10, 2002 was not properly followed as indicated on page 2 (for Group V) and further explained on page 6. Applicants are reminded that they must elect one sequence.

Applicant is hereby notified that the required timing for the correction of drawings has changed. See the last 6 lines on the sheet which is attached entitled "Attachment for PTO-948 (Rev. 03/01 or earlier)". It is noted that a PTO Form 948 is mailed herewith. Due to the above notification Applicant is required to submit drawing corrections within the time period set for responding to this Office action. Failure to respond to this requirement may result in abandonment of the instant application or a notice of a failure to fully respond to this Office action.

See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission. Papers should be faxed to Technical Center 1600 via the PTO Fax Center located in Crystal Mall 1. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1988), 1156 OG 61 (November 16, 1993), and 1157 OG 94 (December 28, 1993) (see 37 CFR § 1.6(d)). The CM1 Fax Center number is either (703) 308-4242 or (703) 305-3014.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to C. Dune Ly, whose telephone number is (703) 308-3880. The examiner can normally be reached on Monday-Friday from 8 A.M. to 4 P.M.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Woodward, Ph.D., can be reached on (703) 308-4028.

Any inquiry of a general nature or relating to the status of this application should be directed to Patent Analyst, Tina Plunkett, whose telephone number is (703) 305-3524 or to the Technical Center receptionist whose telephone number is (703) 308-0196.

Comments on the 90C document for 09/738,626:

After looking closely at the elected Group V claim wording, it looks to me that the claims require the target sequence comparison to a database that "comprises" SEQ ID NOS: 1-3501 or 3502-7001 and that a single SEQ ID NO: election is inappropriate. With this in mind please proceed to a FAOMs. Also, the new drawing requirement was not sent with the restriction, mailed 5/10/02, and therefore cannot be a non-responsive element all by itself. It could have been added if the above election requirement made sense. Please apply the new drawing requirement as part of the FAOMs.

Reviewingly,

A handwritten signature, possibly "Ardin", written in dark ink.

P.S. A 90C communication does not need a 326 form, but does need a count sheet with it.

Dune,

Comments on the FAOMs for 09/738,626:

1. In the file section entitled "INDEX OF CLAIMS" you indicated that claims 1-68 are withdrawn as being non-elected. Why? These claims 1-68 have been canceled. Please note that non-elected status carries with it the concept that the claims still are pending, albeit non-elected. Note that canceled claims are gone, kaput, exterminated, non-retrievable as claims, of historical note only. Canceled claims are no longer pending, they are canceled, eradicated, annihilated. Please do not indicate such canceled claims as non-elected in the future.

2. Since only claims 1-68 have been canceled, claims 69-110 still are pending. Please correct the 326 form.

✓ 3. In the response to applicants' election, please add an acknowledgment that the sequence election requirement has been withdrawn.

✓ 4. Please suggest replacement pages for item # 7 in your action on page 3.

5. I have indicated a question in green ink on page 3 of one of your actions.

Reviewingly,

Ardin
